

# WE CAN HELP

Supporting Women and Girls affected  
by Female Genital Mutilation/Cutting

## We will help with:

- 1-2-1 emotional, sensitive support to survivors of FGM/C.
- Education of women in the BME communities about FGM/C and its health and legal implications.
- Building capacity within FGM/C affected communities and community organisations to address FGM/C.
- Empowering women to make decisions about their own and their daughters' bodies by providing them with protection and support.
- Educating men in the BME communities about FGM/C to facilitate work and change within their communities.
- Developing the knowledge of FGM/C among professionals and working with agencies to promote improved responses of FGM/C.

For support, referral, or more information contact SDAS on PO BOX 53 Havant PO9 1UA, or call us on 023 9200 8328 or 07788 495 387.
